Our Mission **Danville Life Saving Crew, Inc.**

"Provide emergency pre-hospital care to the sick and injured in our community - Twenty-four hours each day, every day!"

This is the mission of Danville Life Saving and First Aid Crew, Inc., which has served Danville and the surrounding area for 62 years. We are a non-profit organization with approximately 125 people volunteering their time to assure speedy, professional response to those requiring medical emergency assistance. Our total budget is in excess of \$650,000 each year. We depend entirely on grants, donations and the goodwill of our community.
