

EMTs and Paramedics

We have immediate openings for qualified Paramedics and EMT's. Come work for an agency that is making a difference! We have an awesome team of employees serving as the City of Danville's primary EMS providers, and are a company you can be proud to be a part of. We are looking for full-time and part-time applicants of all levels with multiple scheduling options available. The DLSC is an equal opportunity employer.

Performance Standards

- Maintain safe control of rescue scenes; fulfil the role of attendant-in-charge on advanced lifesupport incidents; accurately and effectively determine the nature and extent of illness or injury to a patient.
- Administer medical treatment to and transport sick and injured patients to the appropriate medical facility.
- Direct supporting personnel as required.
- Effectively communicate with patients, bystanders, members of the emergency health care team, and media as necessary.
- Safely operate emergency vehicles; perform basic maintenance of equipment.
- Participate in and contribute to training drills.
- Interact professionally with career and volunteer emergency services personnel.
- Maintain appearance in accordance with agency guidelines.
- Discharge all duties according to agency SOGs, policies, procedures, WV EMS protocols, and OMD standing orders.
- Demonstrate the ability to work under high stress conditions.
- Implement incident command and direct the activities of all personnel on scene in the absence of a formal supervisor or officer.

Requirements:

- Be at least 18 years of age to function as attendant-in-charge in Virginia.
- Successfully complete FEMA training including NIMS 100, 200, 700, 800.
- Complete a VAOEMS approved Emergency Vehicle Operator's Course (EVOC).
- Successfully complete required drug screening.
- Have a valid, state issued driver's license.
- Pass required VAOEMS background check, including fingerprint submission.
- Be available evenings, weekends, holidays, and extra hours as operational needs dictate.
- Must be able to work in inclement weather (i.e. snow, sleet, rain, thunderstorms, etc.).
- Wear PPE such as safety vest, eye protection, gloves, and other designated attire and equipment in designated areas of risk.

Hours of Service

- 40-hour work week with hours varying within the 24-hour shift day based on operational needs.
- Must be able to work in inclement weather (i.e. snow, sleet, rain, thunderstorms, etc.).
